

20240814 Region D Team Call – 7 p.m.

Last chance to submit final **CoE/PPoE** approvals was EOB today – National office sent emails earlier this week for those who were still in the pipeline.

2024-2024 (FY 2025) Membership goals as set by board

Region D

- 359 new members (5% increase over 2024)
- 305 Initiates (85% conversion NM to Initiate)

Marissa Schultz says she or Brandon can help chapters in need of recruitment support

We need to prepare a strategy to help them here

Thoughts?

Need at least one representative from each chapter to attend the August 20 fall kickoff call

Will be business in the first half and breakout sessions for students to work together for the second half.

NSW theme and resources are up to date on apo.org

All volunteers need to finish risk management training by Friday, August 23.

It's fast, maybe 15 minutes? And on apo.org

NSAC has two meetings this fall and will also meet on an ad-hoc basis. First meeting is September 19, second mid-November.

Charges of national program committees

How's it going? How can we help?
